SATs Test Week

Year 6 will be taking their SATs tests next week.

They have been working extremely hard and should do very well in their tests. All Year 6 children should come into school for 8am each day next week for breakfast club, to ensure they are ready to start the tests.

Confession and Communion Meetings

We are pleased to report that we had full representation from all the children and parents from St Albert's at the meeting last week. The next meeting takes place this Sunday at 11:15am after 10am Mass.

May Procession

St Albert's and St Brigid's will come together for a May Procession at St Albert's Church on Tuesday 20th May. It will be a lovely experience for all our children and parents are welcome to join us.

Year 4/5 Swimming

The children in year 4/5 started swimming lessons again this week. It is very important that children learn confidence in the water, as one day it could save their lives. Please make sure you have your kit in every Thursday children.

Forest School - Year 2

This afternoon the children in Year 2 went along to Little Wood to enjoy their first taste of Forest School this year. The weather was not the best, but they all enjoyed themselves.

Newsletter by E Mail

We are asking for permission to send the school newsletter by email to parents. As lots of parents have phones which allow them to access emails it may possibly be more convenient for some parents. Newsletters contain plenty of important information and we therefore would like as many parents to read it as possible.

Paper copies will still be sent home to all initially and eventually just to those who would prefer it.

Please pass your email address into the school office if you would like us to email it you.

School Yard Behaviour

When the children are waiting to come into school in the morning, please note that only Junior children are allowed access to the large climbing frames near the car park. Infants can play on the equipment on the other side of the yard.

Riding Bikes in School

If your child comes to school on their bike or scooter, please make sure they **walk** with their bike to the shelter for storage, and you accompany small children as they do this. Do not ride bikes around the school, it can be dangerous.

My Ticket Cards.

We have given out 'My Ticket Cards' tonight which gives you details of how you can buy a brand new one-day bus ticket for children aged 5-15. It costs £2 for a ticket that lasts all day – any time.

Happy Birthday

Happy birthday this week to:
Joshua – 5; Lee – 6; Alfie – 7;
Daniel – 11; Favour – 11.

Thought for the Week

If you believe in yourself you do not have to fear any challenge.

We would wish all our year 6's luck, but they have learned so much that they do not need luck, so we will wish them lots of success.
