

St Albert's Christmas Fayre

On **Tuesday 2nd December** we will be holding our Christmas Fayre. It starts at **2:30pm** in the school hall, so parents should pick their children up and make their way into the hall. There will be lots and lots of activities and fun games to play, as well as stalls selling cakes, toys and teddies! Come and join in the fun and help us raise money for our school fund. The fun continues until 4:00pm, when all children should then be taken home.

If you have any unwanted toys, teddies, or gifts that we could use in our tombola, please pass to Mrs Veevers.

See the back of the newsletter for more information.

Nursery Playground Update

The nursery playground development is scheduled to begin on 1st December and will probably take 3 weeks to complete. Whilst the work is underway, we ask that parents bring their children to nursery via the school office entrance.

When the children return from the Christmas holidays they will have full access.

Anti-bullying Week

This week was anti-bullying week. We started off with an assembly where the children played a game of 'who wants to be a millionaire' making the right decisions. They made posters which will be entered into a competition to be made into teachers, and also did work on feelings and emotions, e-safety and cyber bullying

Little Starlets

Some of the children from Year 3 went up to St John Bosco to see the amazing flying books! The children all had a wonderful morning using the iPads and learning lots about reading.

Reading Pals

We are trying to get a group of dedicated mums/dads together who are interesting in volunteering some of their time to work with readers in school. **We will fully train and support parents and we are hoping to organise this training as soon as possible.** Ideally we would like trained parents to be able to listen to individual readers throughout the school but especially in Key Stage 1. Please call into school and let Mrs McEvoy know if you can spare any time and are interested in supporting us in this way.

Energy saving with Villages Housing.

Villages Housing are working with residents to help reduce energy costs and where appropriate claim the Warm Home rebate (£140 towards electricity). They hold a weekly advice session at the Hub (next to the Chippy) between 10am – 2pm each Friday so go along to see if they can help you save money.

Y3 Assembly

Today our Year 3 children had their assembly on 'Promises'. They performed brilliantly and sang like angels. Thank you to all the parents who joined us to see their assembly.

Attendance News

CLASS	ATTENDANCE	
Rec	95.4%	Green
Y1	91.2%	Amber
Y2	97.6%	Green
Y3/4	100%	Green
Y4/5	91.7%	Amber
Y6	97.1%	Green

Y3 – Football

On Monday next week, it is year 3's turn to take part in the Everton Football Festival. Good luck year 3, we are sure you will play brilliantly!

Happy Birthday

Happy birthday this week to:
 Lewis – 6; Macy – 7.
