Please take some time to read the parents leaflet that is being sent home tonight. It has some useful tips for parents in supporting their child with writing.

Football Crazy

On Monday our Girls football team are taking part in a competition at Lord Derby Academy. They will be leaving school at 3pm and will return at around 5:15pm. Good luck girls, we know you will do us proud!

Read for my school competition

This National competition opened on Monday and all of our Junior children and signed up and ready to go. Please encourage your child to read as many books as they can. The library is fantastic and should really encourage our children to read for pleasure.

IT survey

IT surveys were sent home recently. Please ensure that your child's has been returned it so that we can assess their needs.

2 Year Old Provision

We will shortly be sending a form to all families to gather information on whether or not you have a youngster in the family who is not known to us. This is because they may potentially be entitled to a place in our 2 year old nursery, Alby Tots. It would help the School enormously to know how many children we have coming through so that we can plan. Anyone interested in Alby Tots should call to the school office and ask to speak to Mrs Riddick and we will support you in completing an application.

Admissions Letter

A letter went out this week from Liverpool Archdiocese informing you of a proposed change to our admission policy. The proposed policy is available on our website or following the link below:

www.liverpoolcatholic.org.uk/schools/admissions2016

The changes will only affect new children coming to St Albert's in 2016 and not those already attending or starting in 2015. Please read the policy and if you have any feedback please direct it to Liverpool Archdiocese or to our Chair of Governors.

Data collection

This week, we sent out data collection sheets to all children from Reception, Year 1 and Year 2. It is vitally important that we have all our children's contact & medical information as up to date as possible, so please check the information and return it to us even if it is all right.

Thought for the Week

Before you act, listen.
Before you react, think.
Before you spend, earn.
Before you criticize, wait.
Before your pray, forgive.
Before you quit, try.
