2 Year Old Provision

We have sent out a form today to all families to gather information on whether or not you have a youngster in the family who is not known to us. This is because they may potentially be entitled to a place in our 2 year old nursery, Alby Tots. It would help the School enormously to know how many children we have coming through so that we can plan.

Anyone interested in Alby Tots should call to the school office and ask to speak to Mrs Riddick and we will support you in completing an application.
