Sports for Schools

On Tuesday we had our Sponsored Sports Day. Rebecca Gallantree, an Olympic Diver who went to Rio, London and Beijing came in to school to support the children in their sponsored sports session. All classes from Reception to Year 6 took part in this activity. 60% of the money raised will be going to school and the other 40% is going to help Paralympic athletes realise their Olympic dreams.

It was an inspiring visit and the children asked Rebecca many sensible questions. Hopefully they will be inspired to Olympic greatness themselves in the future. Please remember we need all sponsorship money in by next Tuesday.
