Number Day

We celebrated Number Day today. The children have been taking part in a times table competition with St Brigid's school. So far we are in the lead so fingers crossed we win!

Climate Change Summit

Some of our Year 4 girls went to All Saints High School to learn about climate change. They watched an inspiring video made by some of the local high schools.

Recycle for School

After half term we will have a collection of your unwanted or unloved clothes, shoes, bags etc. Look out for your collection bag and get recycling your unwanted clothes to raise money for school.

London

Year 6 are really excited about our upcoming residential trip to London next week. They are going on Monday and returning on Wednesday. We hope they have a wonderful time and look forward to hearing how they get on. Children need to be in school for 8.00am. Please visit our twitter account @StalbertsRc as we will be posting pictures throughout the trip. Please remember the children MUST bring a towel with them.

PGL

Year 5 are getting really excited about their trip to PGL in a couple of months. Please pay your deposit of £50 before we break up for half term. If you have any problems please call into school asap.

Parental Support Group

We are trying to set up a Parental Support group for our Eastern European community. A letter was sent home last week to register your interest. Thank you to those parents who have already returned it. If you are interested please call into the school office. Dates for the course will be confirmed after half term.

World Book Day

Thursday 5th March is World Book Day. We will be holding lots of reading events but we wanted to let parents know as soon as possible that we will be dressing up this year as our favourite characters from our favourite books. Please note that football kits will not be allowed. We hope that all children will make an effort and be creative as it is such a success every year! There will be a special lunch for that day which will be £1 for those who normally pay for school meals.

Year 5

Thank you to our Year 5 class for their wonderful assembly this morning on Following Jesus' Mission.
