Dear Parents

As our year comes to an end, I would like to thank you all for your strength of character during these challenging times. It has been a struggle for many of you but you have all coped admirably. After the rain comes a rainbow and hopefully things will be much more positive in September. Stay safe. Look after yourselves and enjoy the summer holidays.

Lots of Love

Mrs McEvoy and all the staff at St Albert's.

Year 6

We say our last goodbye to our wonderful and resilient Year 6 today. We have a remote assembly this morning and then the children will visit school to collect their leavers pack of gifts.

It has been a strange time for our Year 6, who will have missed out on so much this year but it will be wonderful to see them all today.

We wish them the very best of luck as they move onto high school and we are sure they will all have a wonderful time. They will always be part of St Albert's family and I am sure that they will do us proud as they move onto their next adventures.

Remember, we want you to have it all! So go out and grab it with both hands and do us proud.

Mrs Veevers

It is Mrs Veevers last week in St Albert's. I am sure you will all join me in extending our thanks and best wishes. Mrs Veevers will certainly be missed by all!

Hopefully we will be able to invite her back to celebrate the time she has spent with us in style when assemblies are up and running.

Heartfelt thanks and good luck.

Calls home/remote learning

This will be our last week of check in calls home and remote learning finished on Friday. We hope that you and your child found them both helpful and reassuring over the preceding months. You now all deserve a good, relaxing holiday.

September

A guidance booklet was sent out in your child's learning pack last week and we would urge you all to take the time to read it as it has important information for our long awaited return to school in September.

Remember we return to school on Wednesday 2nd September and all the staggered times have been texted to you personally. Please keep this information safe as it will not be sent out again.

Mrs Holland

When we return in September we will welcome Mrs Holland into our Nursery class as Miss Prior starts her maternity leave. Mrs Holland has been into school to get set up and is excited to join us.

Learning Packs

A big thank you to all the parents who took the time to call to school to collect your child's learning pack last week. It was lovely to see you and catch up and comforting to hear that everyone is looking forward to a September return.

The packs contain books for the children to use over the summer. The reading books are especially important as we will be expecting the children to have read them when we return and be able to go straight into studying them. This will help us save important time. If you did not call to school please arrange to do so today as I am sure you would like to make sure that your child is fully prepared for September.

At St. Albert's, our mission is walking together with Jesus to

LOVE, LEARN AND SERVE

Our vision centres around the 'CHILD'

C for the Child, H for High Expectations, I for Inspirational & Memorable, L for Listening and D for Dreams and Doors.
