

## This week in Nursery...

We have continued to discuss the changes that are happening around us as Autumn begins to descend on us. The children have been discussing the leaves falling from the trees and the different colours we are seeing on the way to school in the mornings. It's lovely to hear the children's view of the world. Our number of the week this week has been the number 2. We have looked around our environment to find examples of the number 2 and practiced counting 2 objects in the classroom.

### Talk Time

Today (Friday 9th October) is World Mental Health Day. We have today taken part in the #HelloYellow campaign in school. This week for talk time, why not talk to your child about how they are feeling. Ask them questions like 'how are you feeling today?' 'What makes you happy?' 'What makes you sad?' Let your child know that it is okay to feel different emotions and talk about how they are feeling.

### REMINDER!!

We still have lots of children that do not have labels in their belongings. Although we do try our best, things will go missing if jumpers and coats are un-named. Wellies and a change of clothes is a must in the coming months due to the cold wet weather, so please send these items to school ASAP if you have not already.

### IMPORTANT NOTICE

Please help us to keep one another safe during these times. When dropping off and collecting your child, we would appreciate it if you could wear a mask. Also, you may have noticed some yellow lines marked outside. These are to help us and you, maintain social distancing. If you need to speak to me for a length of time, please let me know and I will arrange to call you. Thank you all for your support with this.

REMEMBER - HANDS, FACE, SPACE

### SNACK

A huge thank you to those parents who have regularly given snack money this term, we really appreciate it. Nursery relies massively on snack money as we do not receive any funding from school for food. We also use some of the money to buy resources and presents for the children at Christmas time and throughout the year. We would be grateful if you could send in £1 per week for 15-hour children and £2 per week for 30-hour children every Monday. If you are unsure of how much is owed please ask a member of staff who will be happy to help.

### Independence

It is so important to help your child develop independence. Putting on their coats and shoes by themselves is an important skill to learn and we need your help at home to encourage your child to do this. Although things may take a little longer, encouraging your child to do things by themselves will benefit them and you! Please help your child to do these little things at home!

### Star of the week

This week, our star of the week is

For his wonderful singing during circle times

### Remote Learning

You should have all received log in details for our online library and Busythings games. Please do let me know if you are having issues accessing either of these and I do what I can to help.

### Stories we've loved this week

Hug - Jez Albrough

We're going on a bear hunt - Michael Rosen

Tidy - Emily Gravett

Please can you ensure that we have up to date contact details, phone numbers and emails, in case we need to contact you whilst your child is at school.

Have a great weekend. Mrs Holland, Mrs Cruse and Mrs. Passmore
