## The Aims of Religious Education

The aims of Religious Education in St Albert's Catholic Primary School are taken from '*Religious Education Curriculum Directory for Catholic Schools*' (The Bishop's Conference of England and Wales, Pub. CES 1996).

We aim to promote

- ◆ The dignity and freedom of every person as creatures in the image and likeness of God.
- ◆ Knowledge and understanding of the Catholic faith and life.
- ◆ Knowledge and understanding of the response of faith to the ultimate questions about human life, its origin and purpose.
- ◆ The skills required to engage in examination of and reflection upon religious belief and practice.

In addition to this, we aim to inspire and encourage the beliefs and values which are lived out in the daily life of the Catholic school.

The intended outcome of the Catholic, Religious Education in our school is religiously literate children who have the knowledge, understanding and skills appropriate to their age and capacity, to think spiritually, ethically and theologically.

## The Objectives of RE Curriculum

The objective of Religious Education is to include analysis and reflection, critical appreciation of sources and examples, and a real sense of progression through the different stages of education.

The objectives of Religious Education in our school are:

- ◆ To develop knowledge and understanding of the mystery of God and of Jesus Christ of the church and of the central beliefs which Catholics hold;
- ◆ To develop awareness and appreciation of Catholic belief, understanding of its impact on personal and social behaviour and of the vital relationship between faith and life, life and faith;
- ◆ To encourage study, investigation and reflection by the pupils;
- ◆ To develop appropriate skills for example,
  - ability to listen
  - to think critically

- spiritually
  - ethically and theologically
  - to acquire knowledge and organise it effectively;
  - to make informed judgements;
- ◆ To foster appropriate attitudes; for example
- respect for truth,
  - respect for the view of others,
  - awareness of the spiritual, of moral responsibility, of the demands of religious commitment in everyday life and especially the challenge of living in a multicultural, multi-faith society.

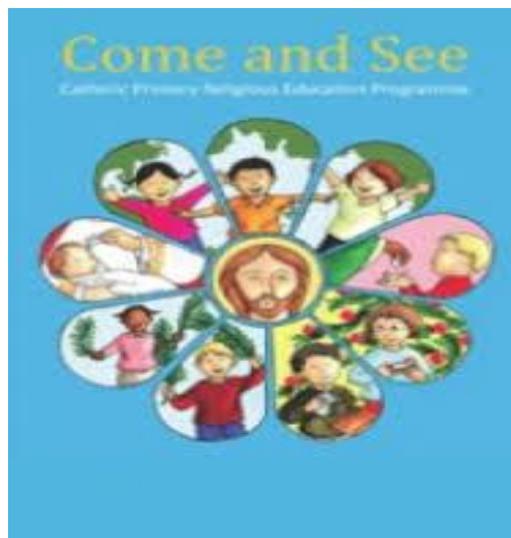

St Albert's will also endeavour to implement the following additional objectives;

- ◆ to achieve these objectives through detailed planning, regular assessment and monitoring and the teaching of RE for 10% of the timetable;
- ◆ Opportunities for celebration, prayer and reflection will be provided.

## The Religious Education Programme

### Overview of content of 'Come and See'

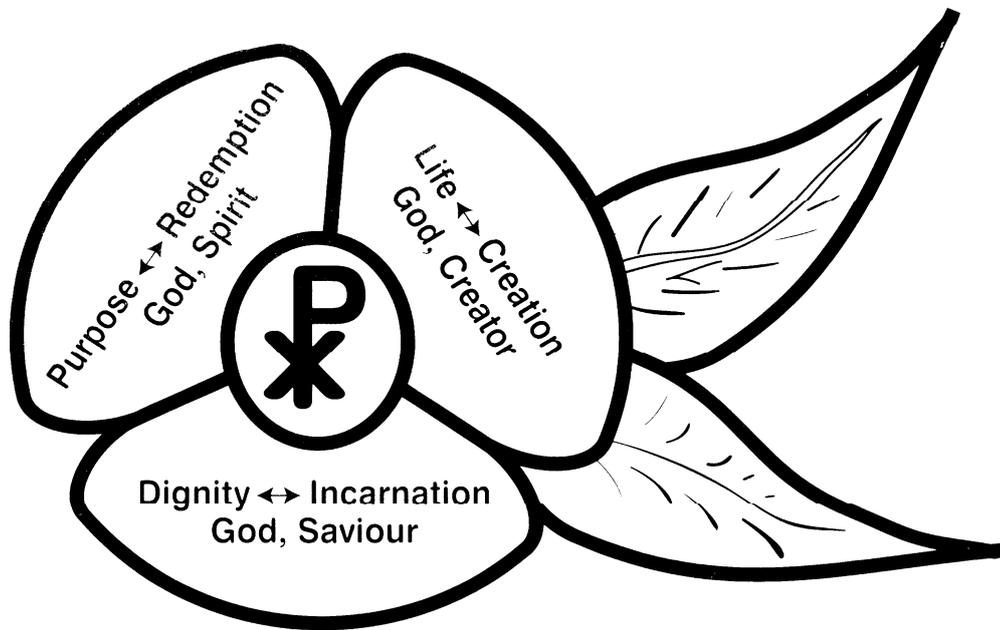

Central to the Come and See I Am programme are three basic human questions and the three Christian beliefs that are the church's response in faith.

Where do I come from?  
Life ↔ Creation

Who am I?  
Dignity ↔ Incarnation

Why am I here?  
Purpose ↔ Redemption

These three doctrines of Christianity express faith in God as Trinity: Creator, Saviour, Spirit; and personal: Father, Son and Holy Spirit: the Holy One whose love gives life to all [creation]; who makes all holy [incarnation] and whose purpose is to draw all men and women into one, universal family of God [redemption].

## THE COMMUNITY OF FAITH ↔ CHURCH THEMES

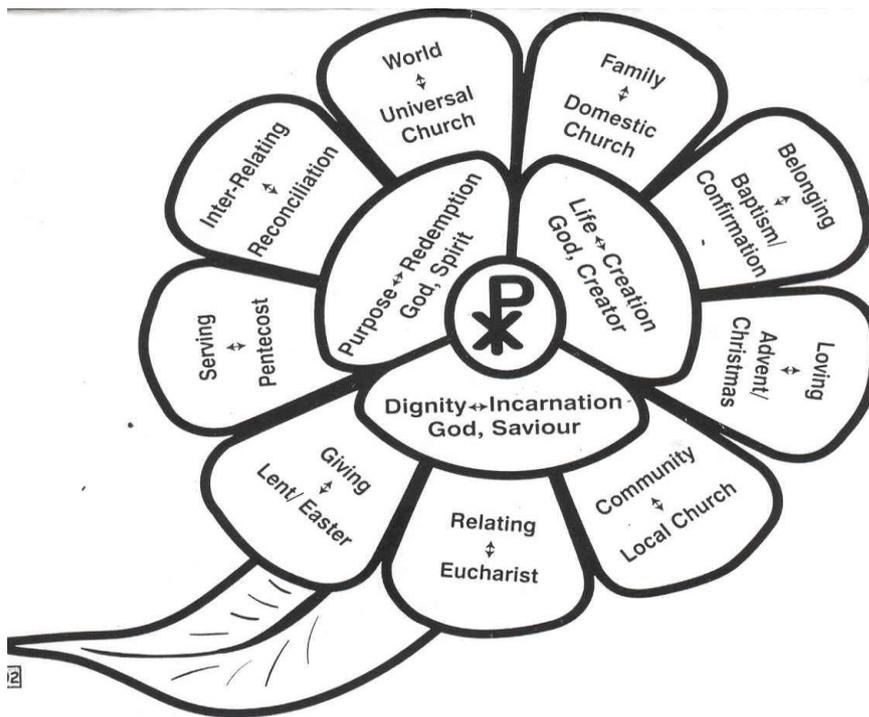

*Autumn* Family ↔ Domestic Church  
*Spring* Community ↔ Local Church  
*Summer* World ↔ Universal Church

## THE CELEBRATION IN RITUAL ↔ SACRAMENTS THEMES

*Autumn* Belonging ↔ Baptism/ Confirmation  
*Spring* Relating ↔ Eucharist  
*Summer* Inter-relating ↔ Reconciliation

## THE WAY OF LIFE ↔ CHRISTIAN LIVING THEMES

*Autumn* Loving ↔ Advent/Christmas  
*Spring* Giving ↔ Lent/ Easter  
*Summer* Serving ↔ Pentecost

## COME AND SEE PROGRAMME

**FOCUS:** Each term a basic question is explored about life, its dignity, its purpose and a central Christian belief which relates to and addresses this question.

### Topics:

- Each theme has **three** topics.
- Each topic is developed through **FIVE** levels which take account of the ages and stages of development of our children.

### **These Five levels are:**

- Level Early Years   Nursery and Reception
- Level 1           Year 1
- Level 2           Year 2
- Level 3           Years 3 and 4
- Level 4           Years 5 and 6

The content is structured so that there is cohesion and progression in what children do and learn. For each level there are clearly stated learning outcomes, achievable learning objectives and a variety of experiences and activities for each of the learning objectives. These

allow teachers to select what is appropriate for the class or groups of children according to their different abilities.

## THE PROCESS: KNOWLEDGE/ UNDERSTANDING/ SKILLS/ ATTITUDES

The process for delivering the topics in 'Come and See' has three main elements - Explore, Reveal and Respond.

### Explore:

In Explore the children look at and focus on an aspect of life - experience that concerns themselves, their relationships and their world.

They can do this by:

- examining and investigating the theme;
- considering it from different angles;
- raising questions;

This may be done by:

- sharing a personal experience or providing an experience;
- telling a story;
- watching a TV programme or video or looking at photographs or slides;
- listening to a poem, music, or a song;
- listening to an invited guest.
- gathering information and collecting facts;
- asking questions and discussing;
- researching;
- collating and classifying their findings and focusing significant ones;
- discovering meaning and value and drawing conclusions.

### Reveal:

There are six learning focuses within Reveal for years 1 to 6 and from these learning focuses children develop their knowledge, understanding, skills and attitudes needed to fully develop themselves.

Here the heart of the process is reached - the presentation of the Christian understanding of this life experience. The teacher introduces the children to the Christian understanding of the mystery of God and human life as expressed in the person, life and gospel of Jesus Christ.

Here time and space are set aside to:

- open new horizons;
- evoke a sense of awe and wonder and of the mystery of life;
- acknowledge difference;

- work with problems, come to terms with anxieties and grapple with puzzling experiences.

This is done by:

- creating a quiet, prayerful atmosphere;
- learning about the Scripture and the teachings of the Church
- sharing thoughts and feelings.
- making a personal response.
- listening to prayers, psalms, hymns and other expressions of Christian faith and the lives of outstanding Christians
- exploring all these in creative and practical ways through drama, writing, poetry, song, dance, music, personal research and investigation and service of others;
- making links between this Christian understanding and the children's own experience.

### Respond:

#### Remember

The teacher enables children to recall and review the work done in the topic.

This is done by:

- starting with a moment of quiet reflection
- giving time for children to remember, make a conscious effort to bring together, what they have done and learned as individuals and as a group;
- asking specific questions to discover what learning objectives have been achieved;
- using gathered examples of work and resources as prompts;
- summarising and reinforcing learning that has taken place;

#### Rejoice

The teacher enables the children to celebrate in worship all that has been done and learned. Here time and space are set aside:

- to wonder at;
- to contemplate;
- to mark as special;
- to come to terms with;
- to give worth to the mystery of life <-> faith they have explored;
- to grow in awareness of and actively respond to the spiritual dimension of life;
- to develop the capacities and skills to participate in and plan worship and celebrations.

This is done by:

- bringing together the work done;
- selecting from it what is significant, relevant and meaningful;
- creating opportunities for thought, for prayer, for stillness and silence;
- fostering an atmosphere which may evoke responses of joy, sorrow, thanks, praise, acceptance and so on.
- expressing something of the new knowledge, insights, skills and attitudes acquired;
- formulating and recording statements of new knowledge;

### **Renew**

The teacher helps the children to hold on to and make their own what they have understood of their own experience and of the experience of the Church community. This can be done by:

- giving children time to reflect on what they would like to hold onto and never forget;
- helping them to focus on and choose a song, a hymn, a doctrinal statement, a poem, phrase or line, picture, photograph, symbol, story or reading which encapsulates their understanding and enables them to bring it to mind again
- exploring the possibility and potential for living in a deeper and fuller way;
- identifying ways of applying this in life;
- choosing examples of work for their profile;
- making entries in a personal journal.

### **Search**

At the end of *Explore* pupils will have engaged in an exploration of an aspect of life experience and will have begun to be more aware of the questions it raises.

### **Revelation**

At the end of *Reveal* pupils will have grown in knowledge, understanding and appreciation of Scripture, tradition, celebration, Christian living and prayer as the response of faith to these questions.

### **Response**

At the end of *Respond* pupils will have celebrated their learning and will have begun to take hold, through remembering, of the insights that will inform their lives.

The process encompasses a variety of teaching and learning styles, which enable the needs of the individual pupils to be met.

## Assessment

In keeping with Archdiocesan Guidelines children are formally assessed in 3 topics throughout the year and teachers make informal assessments for the other 6 topics. Portfolios of work are kept to show assessed work completed, whilst formally assessed topics are moderated by all staff at a moderation meeting.

Assessment establishes what pupils know, understand and can do. It does not assess faith or the practice of faith. Assessment in 'Come and See' emphasises a wide range of achievement. In our school it involves:

### Informal Assessment:

- Observation of contributions made to displays
- Photographs
- Marking
- Observation of children engaged in classroom tasks and activities
- Discussion with children
- 'Renew' - applying children's learning
- Review - end of task, activity, lesson, topic.
- Portfolios of work kept for 2HA,2AA and 2LA children.

### Formal Assessment:

Regular informed judgements on a wide variety of evidence should be made -

- Each child should be formally assessed three times a year using Archdiocesan formal assessment procedures set out on website.
- Concept Maps should be completed during the Explore and Remember stages of each topic. The activity should be chosen by the Class Teacher that enables children to show how they have met the learning outcome. This then will be marked against the expectation statements and the Attainment Levels.

## Attainment Targets and Levels of Attainment:

## Reporting

In St Albert's, reporting is completed in a variety of ways:

- Discussion with the children about their work. This is done by the class teacher and should provide positive comments on their achievement and progress.
- Termly assessment. Our assessment procedures should inform other teachers of the achievement of individual pupils.
- Annual report to parents. This allows for teachers to comment on the progress, strengths and achievements of the children.
- The RE co-ordinator submits an RE action plan to the head teacher annually.
- The RE co-ordinator meets with the SLT to discuss, review and monitor the implementation of the action plan.
- The RE co-ordinator informs the parents of the RE topics and content for each year group each term in the RE newsletter.
- After the monitoring process the RE co-ordinator gives feedback to governors where she reports on relevant information, recent successes and achievements within the subject.
- Termly parent evening are held where parents are free to come and view their children's RE books and discuss any concerns with the teacher.

## Collective Worship

St Albert's Catholic Primary School, in its approach to Collective Worship, endeavours to take into account the religious and educational needs of all who share in it.

- To enable and encourage a sense of belonging.
- To promote each child's innate capacity for awe, wonder, reverence and imagination.

### Objectives

To fulfil the aims, St Albert's will provide opportunities for the community:-

*Please see the Collective Worship Policy for further information*

### **Other Faiths**

The Requirement to teach respect for other faiths is part of the 'Come and See' syllabus. We do this as it is part of the churches mission to develop attitudes that promote and support the dignity and worth of everyone.

We believe that it is important to teach our children to respect everyone so that they grow up to live in harmony with others. Part of this is having an awareness of other religions and an understanding of their beliefs.

We do not expect families to uphold these beliefs but we ask our parents to work alongside us in encouraging tolerance and understanding.

The children learn about Judaism on an annual basis. They are also taught one other of the other major world faiths during the year (ie Islam, Hinduism). For the year 2014/15 this was Islam.

Children particularly enjoy learning about other faiths as it is new learning. They are enthusiastic, respectful and inquisitive.

### **Future Plans**

In order to support parents' understanding of the other faiths we will hold a parents' session prior to each topic. We will also send home information and publish this on the website.

### **Opportunities for Spiritual and Moral Development**

Children at St Albert's will be given opportunities which will promote their spiritual and moral development not only through the RE curriculum and liturgical celebrations but in all aspects of school life. We seek to promote a Catholic setting where loving Christian relationships are developed and that we develop all our children to their full potential. To achieve this we aim to develop an atmosphere where positive relationships are valued and encouraged. We aim to ensure an experience of acceptance

and tolerance within school situations and to nurture trust. This is evident in policies such as Behaviour, Bullying, R.E, Health Education, Sex Education and through assemblies.

We strongly believe that the Christian perception should permeate the entire curriculum and seek to recognise, affirm and celebrate the gifts and talents of all our children,

### Major Celebrations during the Year

On some holy days pupils and staff from KS1 and KS2 attend Mass at St. Albert's Church.

At the beginning of each term Father David comes into school and a whole school service is celebrated. Pupils can help prepare bidding prayers, and read readings, and sing hymns in support of the theme of the Mass.

During **Advent** and at **Christmas** pupils prepare with Assemblies and a Nativity Play and Carol Service. Each year a group of pupils goes out into the community to sing carols at a nursing home and for local elderly people.

During **Lent** and at **Easter** pupils prepare with a series of Assemblies, with lenten fund-raising events for the Good Shepherd Fund, and with a drama and readings depicting the Easter Story.

Year 4 Celebrate the Sacraments of Reconciliation, Confirmation and First Holy Communion.

### Links with Parents

All parents are given a welcome pack containing relevant information about our school.

Each term the RE coordinator produces a newsletters informing parents of the 'Come and See' topics for the term. We encourage parents to link home life with the topics pupils are covering. Each topic is explained and aims are outlined so that the parents have the opportunity to become part of the R.E Education in their children's lives.

Each term welcome meetings are held in our Reception class and follow up visits arranged to welcome children and their parents and to introduce them to the school and staff.

Parents and parishioners are invited to join with our children in all whole school assemblies, school masses and productions throughout the year.

Parents are encouraged to attend Open Evenings with their child's class teacher and discuss their child's progress across the curriculum.

Parents of children with S.E.N are invited into school in order to discuss their child's progress and their new individual education plan.

The school supports the Church community in preparing children in Year 4 for receiving the Sacraments of Reconciliation, Confirmation and First Holy Communion. Parents of year 4 children are invited to attend preparation lesson with their child, which was led by the parish catechists. This ensures they are fully aware and involved in their children's preparation.

Curriculum and class meetings are held to ensure parents are kept informed of their child's education and any new strategies that may be put into place - for example Numeracy or Literacy initiatives.

We also offer initiatives such as Stay and play which encourages parents to work and play alongside their child throughout the day.

We also invite parents to become involved in the education of their children in school through helping within the classroom, listening to readers, accompanying classes on trips or helping with costumes for productions.

We have a very active P.T.A. (FOSA) who work very hard to raise extra funds for our school, this also helps to strengthen our home/ school links.

Parents are invited to become actively involved in the revision of our school development plan through the completion of questionnaires.

Parents are kept informed of what is happening in school through weekly newsletters, which are written by our Headteacher and distributed to children every Friday.

Detailed information for parents is accessible via our school website.

### **Future plans**

#### **Mission Days**

During the Summer term the school will invite parents to join the school for 'Mission Days'. These will support parents in their understanding of the School's Mission Statement; Learn Serve and Love. During the day parents will support their child in activities which will focus around either one strand of the mission or a number of them. The day will culminate in the opportunity to pray together.

### Links with our parish

St Albert's Catholic Primary School has a close link with St Albert's Church and the Parish Community.

Father David Potter comes into school very regularly to meet the children and to celebrate Mass with us. Members of the Parish are invited to whole school Masses and celebrations.

Catechists from the Parish work alongside staff in the preparation of the Sacraments.

St Albert's Parish is regularly updated on events at school through the parish newsletter.

### St Brigid's

We have strong links with St Brigid's which we refer to as our Sister school. St Albert's church feeds the Parish of St Albert's and St Brigid's. The Governors are federated and staff and children work very closely. Both schools support one another and we come together for celebrations, masses and events

### **PARISH SACRAMENTAL POLICY**

St Albert's Parish, school and parents work together during Year 4 to prepare the children for the sacrament of Reconciliation, Confirmation and Holy Communion. Preparation of the sacraments is led by the Parish.

Parents are invited to a meeting, early in the programme, with the Parish Priest and RE Co-ordinator, and are given an insight into the main elements of the programme the children will study. They are then invited and encouraged to support the children during the preparation .

Reconciliation, Confirmation and Holy Communion are celebrated with family and Parish and St Albert's and St Brigid's schools come together for this.

Prayers are said for the candidates at school Assemblies and at Parish Masses, to reinforce the support of the school and parish community for the candidates at this time. A celebration mass is held in school in the summer term when the programme is complete and Pupils receive a certificates to mark their First Confession, Confirmation and Communion.

### Special Educational Needs

In St Albert's we recognise that all of our children are special and unique, we aim to provide a broad and balanced curriculum catering for each child's spiritual, intellectual, aesthetic, physical and moral development. We have a whole school approach to children with Special Educational Needs and we aim to provide a stimulating environment where pupil's interests are aroused and challenged and by providing extra stimulus and encouragement to those pupils with learning difficulties to allow them opportunities to enjoy success.

We aim also to recognise those pupils who need stimulation to challenge them to reach their full potential.

We recognise the vital need for partnership with parents and other agencies. These will include parents, the Archdiocese of Liverpool and the LEA.

### Information and Communication Technology

ICT is to be used in RE whenever possible. This could include use of interactive whiteboards, the digital camera, audio and visual equipment during lessons. Full use is made of the interactive resources on the 'Come and See' website.

### Display

All classrooms have a Religious Education display board and a focus table where children's work and objects relevant to the particular 'Come and See' topic are displayed. Children are encouraged to use this during times of prayer. We aim to use high quality displays to show we value to children's work and to provide a stimulus for each topic.

### Cross - Phase Links

Each Y6 child is prepared for their transition to Secondary Schools through visits from their staff and visits to the school.

At St Albert's, we work hard to ensure a smooth transition for our pupils. We invite all Secondary Schools into school to do a presentation to the parents of year 6. This provides valuable information about their child's new school. Pupils visit the Secondary School of their choice and staff from the Secondary Schools visit the children where possible. The children also have the opportunity to attend Secondary School and experience lessons for a day.

During Year 5 and Year 6 explore their own feelings as part of their Sex Education. They explore feelings, anxieties and concerns about moving to Secondary School. We aim to prepare children as much as possible for this transition in order to relieve some of their anxieties about the move.

The children's leaving is specially celebrated at the end of the year with a Leavers Mass. We celebrate their achievements in St Albert's and wish them well for the future.

### Equal Opportunities

- All children have the same access to RE activities regardless of their gender, race or cultural background.
- Each child is expected to listen to the views of other people, and respect that sometimes there will be differences of opinion.
- In the delivery of the syllabus the children are introduced to the views, beliefs and cultures of other faiths.
