

St Albert's Catholic Primary School

Weekly Newsletter Friday, 01 February 2013

Science Week

It is science week next week and all children will be looking at our planet - Earth, and our Solar system. The

children are already eager to learn, and we are looking forward to a very exciting event at school on Wednesday! We will reveal all next week!

Reading Month

February is reading month at St Albert's. Look out for lots of activities to do in school and at home. It is very important that all parents/carers get involved with the activities as this helps enormously to help children progress even further.

Loan Shark Assembly

On Tuesday next week, the children in KS2 will attend an assembly run by KMBC which helps them to understand the dangers of Loan Sharks. Please see the back of this newsletter for information on events happening around Stockbridge Village.

Attendance News

CLASS	ATTENDANCE	
Rec	98.3%	Green
Y1	89.5%	Red
Y2	91.25%	Amber
Y3/4	95.8%	Green
Y4/5	96.9%	Green
Y6	98.5%	Green

Stay and Share a Story

On Tuesday 12th February, our nursery are having Stay and Share a Story sessions for Parents/Grandparents and younger siblings of children in our nursery. It is a great way to help your child learn, and is a fun and enjoyable activity. The sessions are 8:45am-9:30 for the morning nursery and 12:30-1:15pm for the afternoon. Please come and join in.

Class Dojos

'Class Dojos' is our newest way of encouraging good work and behaviour in school by using this on-line app. We are looking into it at the moment, and if it is successful, we will be introducing it throughout school. Watch this space!

St Albert's Website

Please visit our website on a regular basis and encourage your child to do so too. It is full of photographs, news and support. Newsletters are always posted and any alerts (i.e. snow!). We are continually adding to and updating the website and it will certainly keep you up to date with events. Mrs Tambourini-Gunning has worked very hard on the website and we are very pleased with the results.

www.stalbertsprimary.co.uk

Forest School – Y5/6

This week, Y5/6 had their first experience with Forest School. They went to Littlewood and learned how to stay safe in the fire circle, and then climbed trees! They will continue their experience very soon.

School Places at St Albert's

We do not need to tell you, our parents/carers, about the excellent work that takes place at St Albert's but please spread the word to any interested friends and neighbours. If your child, or a friends or neighbours child, is due to start school in September please call into school to ensure that you have completed all necessary forms. Equally promote the word that we have spaces throughout the school and in the Afternoon Nursery.

Tuck Shop

Our Healthy Schools Tuck Shop is open every day at break time. There is a good choice of fruit, yoghurt and cheese all for just 20p per item.

Happy Birthday

Happy birthday this week to:
Eva Phillips – 4; Anthony Taylor – 4;
Alfie Thorne – 4; Joel Michaels – 6; Sally Emery – 8; Aimee Jamieson – 10;

Thought for the Week

Good manners are just a way of showing other people that we have respect for them.

Be kind and loving to each other. Forgive each other the same as God forgave you in Christ
Ephesians 4:32
