Well Done Y6

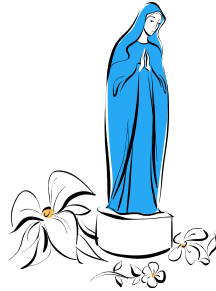

We would like to say a big 'Well done' to all our Y6's for the hard work and concentration they put into their exams last week. You can now relax and start on your next task – rehearsals for the end of year play!

Kingswood Colomendy

The children in year 5 and 6 are going to Colomendy on Monday. They are really excited about it, and are looking forward to all the activities, including: abseiling, fencing, caving, Jacobs ladder; problem solving and leap of faith. We will report on how they got on next week.

May Procession

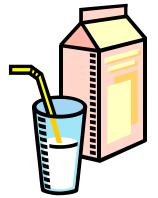

For the May Procession we are asking each child to bring a **flower** along. They will place the flower at the foot of Mary during the procession. Hopefully parents will be able to send flowers in from their garden. The May Procession will take place at St Albert's Church on Tuesday 20th May and parents are welcome to join us.

Please note: Children who are not attending Colomendy in years 5 and 6 must still attend school as normal.

School Milk

We had a letter this week from KMBC regarding Dental Milk for our Nursery and Infant children. The council has reviewed other oral health programmes available in the borough, including toothpaste distribution which provides the same benefits, and has decided that the dental milk programme will not continue. The children will, however, still be offered semi-skimmed milk each day.

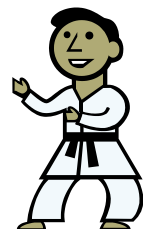

Confession and Communion Meetings

The children and their parents in year 4 continue to prepare for their First Confession and Holy Communion which takes place on Sunday 22nd June. The next meeting takes place this Sunday at 11:15am after 10am Mass.

Year 1 Martial Arts

With a break in training this week due to the Y6 Sats, the Y1 Martial Arts club with Kuk Sool Won will continue next week. See you at 8am!
