## SATs

Children in Year 6 and Year 2 will be involved in SAT assessments throughout the term. We are very busy preparing the children for this and we want them to perform to the best of their abilities. Full attendance in school is vital and we would also ask that parents ensure that their children are particularly well rested.

## Reception

Reception went to the Art Gallery on Thursday. They had a wonderful time and their behaviour was excellent. They took part in a big draw session and then went on an art trail around the gallery. Following our art gallery session we went to St George's Hall to look at the Hillsborough memorial. The children were very respectful and a real credit to our school.

## Summer term menus

New summer term menus are starting next week. They will be available on our website for you to look at.

## Anthony Walker Foundation

Classes Year 5 and 6 had workshops led by the Anthony Walker Foundation on Tuesday. Children learnt about difference, diversities and inclusion. Also the effects that racism/discrimination can have and about how our European friends have the freedom to live and work in Europe and how the same opportunities are given to us. The workshops were extremely well presented and they all learnt a lot.

## Hillsborough

On Tuesday at 10am we will be holding a collective worship in remembrance of Hillsborough. Children are invited to wear a small item of red clothing such as a red bobble, red socks or a scarf. No football kits please.
