Head Boy/Girl & School Council

Congratulations to all the children who applied for these posts in school. Our new Head Boy and head Girl are:

Lexxi & Anthony

Lexxi - I was very surprised that I had been chosen as Head Girl. I will do my best to help everyone and listen to everyone's point of view. If anybody has any problems come and see me or Anthony.

Anthony - First of all I would like to congratulate everyone else for getting their jobs. When I was given the role as Head Boy, I was very happy and proud. I will do my best to live up to the expectation of Head Boy and I would like to thank everyone for picking me.

Also Lily and Sam from our School Council had a few things to say;

Lily - I was speechless when I found out. I will be the voice of other children and be helpful in every way I can.

Sam - I was very excited and surprised that people voted for me. I will be very kind to all children and do my best for everyone.
