Breakfast 'Larks' & Night Owls

We are re-launching our breakfast club as the 'Breakfast Larks'. This is more child friendly and will give the children a sense of belonging. Likewise, we are also re-launching our after school club as the 'Night Owls'.

Both clubs are well attended and very well organised.

Just a reminder that:

Morning Larks is open for 8.00 am and we charge £1 per child.

Night Owls is open from 3.15pm to 4.45pm and the charge is £4.00 per session (with a reduction for families). Both are heavily subsidised to support our families.

Please call the office to guarantee a place.

After School Clubs - Parents

Please be aware that the after school clubs are not open to parents. Parents are to pick their children up when clubs are finished at the office entrance. Gates will be closed after everyone has departed from school and parents collecting children will be asked to wait at the school gate by the Nursery entrance. I am sure that parents will support us in this as it is to ensure the health and safety of the children attending clubs. This is especially important for outside activities where as we are now having a large number of parents waiting on the playground.

Year 1 & 2

Just a reminder on Monday next week a team of children from Year 2 are going to an LFC football competition. Also

on Thursday a team of children from Year 1 are going to an EFC competition. A big well done to the Year 1 children who went to the LFC competition this Monday.

We are very proud of you!

Governor Day

Today school was visited by some of our Governors. It was a fantastic opportunity for our children to meet the Governors. The Governors learnt a lot from being the classes and for them to see information station in action and spend time in classes and at Forest School.

Cross Country

Next Tuesday our Cross Country team are going to Halshead primary to compete in a competition, we wish them the best of luck!

Safari Park Year 1

Next Wednesday our Year 1 class are going to the Safari Park. We hope they have wonderful day learning about all the animals.

Year 6 Archdioceses Day

Year 6 had a wonderful day at St John Bosco making an Altar Cloth and talking about hopes and dreams and the Story of Creation from the Bible.

Archdiocesan Levy

Next week we will be sending out a letter regarding the Archdiocesan Levy. We are now asking you to pay an installment of £5 per family.

TALK

We are encouraging all parents to chat regularly to their children to help widen their vocabulary and experiences. We have recently introduced Information Stations in all classes and this is a time for the children and staff to discuss and debate issues. Topics covered have included the new £5 note, the American presidency, the 401 marathon man. You may be surprised at how knowledgeable and interested your children are.

Parent Helpers

We are making a further plea for more parent helpers to come into school to listen to readers. Your support with this will help us enormously. If you (or grandparents) are able to spare some time please call into school and speak with either Mrs Riddick or Mrs Hassel Richardson. We will then get in touch with you and provide training.

Macmillan - Cake Sale

Thank you to everyone who contributed to our Macmillan cake sale. We raised £233.86 so well done to everyone.
