Year 5 Communion

Our Year 5 children celebrate their First Holy Communion today. We are sure that they all had a lovely celebration and we send our best wishes.

We will celebrate as a class on Monday with a cup cake treat.

Halloween

Sadly there will be no Halloween celebrations or discos this year and I am sure that you will agree that although this is disappointing it is a sensible approach. Children in Nursery, Rec and Year 1 will, however, will be doing Halloween activities in class on Thursday 22nd October and the children in these classes will be invited to come into school in their costumes if they wish. Please be sensible with your choice of outfits and make sure that they are age appropriate and not too scary (if that makes sense). For children who do not celebrate Halloween they may wish to just come in fancy dress.

Half Term

Please note that school is closed from Thursday 22nd October to Monday 2nd November for Half term. We finish on the Thursday at normal time and the staff have an inset day on the Friday. Please make sure that this is in your diary.

Y4 Communion Dates for your diary

The Reconciliation date for Year 4 children will be Wednesday 24th March 2021 at 2pm
The communion date will be Saturday 3rd July 2021 at 10am.

Flu Vaccination

Next Tuesday the children will be receiving their Flu Vaccination. Could forms please be returned to school by Monday morning at the latest. It is important that you take up this offer to protect your child and family from this debilitating virus.

Social Distancing

Thank you for all your support with dropping off and picking up. Our major concern now is the number of parents who are still not wearing masks or meeting up with friend and walking home without masks. The levels in Knowsley are very high and there is more concern in the community than there is for school who have worked hard to make sure that we are a COVID safe environment.

Also if you have been advised to self-isolate because your child/family member have COVID symptoms or have tested positive for COVID then it is extremely important you stay at home. DO NOT go shopping, to see friends, or indeed have anyone other than your family members over to your house. We ALL need to follow these rules to protect our community.

Please remember Hand, Face and Space

EBooks

Please encourage your child to access the E reading books which we have set up. Access to reading was one of our main areas of concern during lockdown and we would like to ensure that our children get into good habits and make up for lost reading time. Year 6 are currently in the lead with the most children withdrawing books.

Book Amnesty

We tried our best to send home reading resources during the lockdown and the summer holidays. We now need to make sure that all these books are returned and therefore are encouraging all children and parents to check through their book shelves and return any books to school. It is vital that we do not lose our school reading books as other children need to borrow them.

Remote Learning - Are you ready????

It is important that, as soon as a bubble closes, parents ensure their child is accessing remote learning. We are still concerned that a high number of parents have not picked this up yet. Please make sure that you are fully prepared for this eventuality. We have been working with the children on our expectations for home learning and using the platforms. Please make sure that you are prepared and can support your children in this regard.

Year 6 - Secondary applications

Year 6 parents please be reminded that the closing date to get your secondary admissions in 31st October. It is very important you apply before this date.
