

This week in Nursery...

We have enjoyed lots of different activities. We have been focussing on the number 3. We hunted for the number 3 all around our classroom and found different things that there were 3 of. This week we have also worked on strengthening our hand muscles by using the hammer and nails and making Autumn playdough. We have also began to learn how to recognise our name and trace the letter shapes in our name. We have had a wonderful week!

Talk Time

The Early years is so important for children to begin to understand the world around them. At Nursery, we spend our days getting the children to look around and asking them what do you see? A fun way to engage your child like this is to play a simple game of I spy. Whilst your child will not be able to identify 'something beginning with...' you could ask '... something coloured...' or 'something big...' or 'something that moves...' Why not give it a try!

Halloween

Due to current restrictions, we cannot have a halloween party this year. However, if your child has a halloween costume that they would like to wear, they can wear it to school on

THURSDAY next week. No accessories please!

We will be doing some halloween themed activities through the week, if you do not want your child to participate in this, please let me know.

Independence

It is so important to help your child develop independence. Putting on their coats and shoes by themselves is an important skill to learn and we need your help at home to encourage your child to do this.

Although things may take a little longer, encouraging your child to do things by themselves will benefit them and you! Please help your child to do these little things at home!

Star of the week

This week, our star of the week is

Eva
For persevering with all activities this week and waiting patiently for her turn.

Busythings!

Are you accessing Busythings at home? How is your child getting on with it? Please can you let me know, take a picture or video and share it with me on Tapestry! I'd love to see!

Songs we've loved this week

Five little men in a flying saucer

10 in the bed

Three blind mice

Five little apples

Thank you for all your support this term. Please remember that our last day at school for this half term is **Thursday 22nd October**.

Have a great weekend. Mrs Holland, Mrs Cruse and Mrs. Passmore
