

## This week in Nursery...

We have had a lovely week! We started off our week learning all about Diwali. The children enjoyed finding out about the festival of lights. We made our very own Diya lamps with lots of colourful paint and jewels! We practiced our pen control by tracing round some mehndi patterns too. We also learned about Remembrance day, making some poppies and talking about the soldiers in the war. The children were wonderful at observing the 2 minute silence at 11am. We were so proud of them! Finally today, we marked World Kindness day by looking for friends who were doing kind things and also Children in need, were we decorated a cake. It has been a wonderful week in Nursery!

### Home learning

This term, I will post a home learning activity for you to do with your child each week. Please ensure you post up to Tapestry when you have done the activity so I can see how you get on!

**Challenge for this week...** Zipping up their coat! Practice with your child at home, letting them learn how to zip up their own coat. If your child is successful and can show me at school, they can have a sticker and a prize out of the prize box! Who can do it? Post up to Tapestry so I can see!

### We are now in a second national lockdown.

When you are bringing your child to school, please ensure you are wearing a mask and maintaining a 2 metre distance from us and other parents.

If your child has symptoms of coronavirus, please keep them home and get a test. It is so important that we protect ourselves and one another. Please be assured that we are keeping your children as safe as possible in school.

Remember, **HANDS - FACE - SPACE.**

### SNACK

Thank you to those parents who have paid their snack money. It is really appreciated. Please remember if your child is AM only we ask for £1, if they stay all day, £2. You are welcome to pay week by week or the full half term.

If you have not sent in wellies and a change of clothes for your child, please can you do this as soon as possible. It is often wet and rainy and we do go outside a lot and we need the children to be dressed appropriately. Please also ensure that your child's belongings are labelled.

### Star of the week

This week, our star of the week is

For his lovely mehndi patterns and Diya lamp and always being ready to learn and join in

### Tapestry

Please ensure you are logging on to Tapestry regularly to stay up to date with what your child is doing in school.

### Busythings!

Well done to those children (and parents!) who have accessed Busythings at home. I love seeing the Avatars that you have created together. If you need some support to get online with Busythings, please let me know and I can arrange to call you and talk you through it.

Have a great weekend.  
Mrs Holland and Mrs. Passmore
