

## This week in Nursery...

It has been World Nursery Rhyme Week! We have learned a nursery rhyme each day and based our activities and circle times around that rhyme. We have learned, The Wheels on the Bus, 5 Little Speckled Frogs, Hickory Dickory Dock, Old MacDonald had a Farm and Miss Polly had a Dolly. We have had lots of fun and the children have really enjoyed all the art and creative activities that we have done. This week, we have also been exploring and discovering in our Curiosity Corner! To spark curiosity this week, we have been looking at an old typewriter! It's been lovely to watch the children exploring the typewriter, using their gentle hands and figuring out how to work it.

### Home learning

Well done to all those children who posted on Tapestry their new skill of zipping up their coat! If your child hasn't had a prize yet, make sure you post up a video so they can claim their prize!

### Challenge for this week...

Choose a Nursery Rhyme or song and record your child on Tapestry singing it. It can be one of the ones that we have learned this week, or one of their favourite songs to sing at home!

### We are now in a second national lockdown.

When you are bringing your child to school, please ensure you are wearing a mask and maintaining a 2 metre distance from us and other parents.

If your child has symptoms of coronavirus, please keep them home and get a test. It is so important that we protect ourselves and one another. Please be assured that we are keeping your children as safe as possible in school.

Remember, **HANDS - FACE - SPACE.**

### SNACK

Thank you to those parents who have paid their snack money. It is really appreciated. Please remember if your child is AM only we ask for £1, if they stay all day, £2. You are welcome to pay week by week or the full half term.

If you have not sent in wellies and a change of clothes for your child, please can you do this as soon as possible. It is often wet and rainy and we do go outside a lot and we need the children to be dressed appropriately. Please also ensure that your child's belongings are labelled.

### Star of the week

This week, our star of the week is

★ Orlagh ★

for her enthusiasm with all the rhymes and activities we have done this week.

### Christmas Jumpers

As you will have seen from my letter yesterday, we really need your help to provide your child with a Christmas jumper for our Nativity. Please ensure you pass it into school as soon as possible, but no later than next Friday so that we can begin to film your child's part in the play. We really appreciate your support!

Have a great weekend.  
Mrs Holland and Mrs. Passmore
