The sun has shone down on us all week and the children have had a glorious time getting out of doors whenever possible. Please remember to put suntan lotion on your child before they come into school and a sunhat if possible.

Miss Fleming - Year 1

We are delighted to announce that Miss Fleming is expecting her first child in the Summer. Due to COVID, Miss Fleming has to work from home for the last half term. Mrs Cruse will, therefore, be taking the class and working alongside Miss Fleming who will continue to plan and meet up with the class via zoom. The children are very familiar with Mrs Cruse and we feel that this will cause the least disruption. We will update you towards the end of the half term.

Earth Day

As part of Earth Day, St Albert's joined the CAFOD virtual national assembly to find out how we can come together to help

tackle the climate crisis and restore our beautiful world! Classes took part in the 'Eyes of the World' campaign and reflected upon what is happening in the world and the positive changes they would like to see in the future. All classes were also introduced to our whole school book focus: 'Mother Earth is Weeping' which will be explored throughout this half term. Check out our twitter page to see all of the wonderful work that took place!

Snack Money

Thank you for paying for snack this week.

Please continue to help us fund a snack at break by passing £1 per week per child to your class teacher.

Year 4. Confessions and Communion

Parents should have all made contact with Fr

David in relation to their child's Holy Communion and First Confession. If you have not done so, please do this urgently otherwise your child will not be able to make their First Confession with the rest of the class. First confessions are scheduled for Friday 14th May at 2pm in St Albert's Church.

At St. Albert's, our mission is walking together with Jesus to
