

Nursery News

Friday 2nd October 2021

Dates for the Diary

Thursday 22nd October 2021 – Halloween Party. Children are invited to come dressed as something spooky.

Thursday 22nd October 2021 – End of term

Monday 1st November 2021 – Start of term

This week...

The children have been exploring process art using conkers and paint. We have displayed our creations on our autumn tree in our classroom.

We have also enjoyed mark-making outside using chalk and constructing a water-way using different size tubes.

Talk Time

Thank you to all parents who are taking the time to discuss each week's topic. Remember that this work will improve confidence and extend vocabulary as well as increasing general knowledge.

The theme for this week is **autumn**

SNACK

Please remember to pass in your child's snack money.

Nursery relies massively on snack money as we do not receive any funding from school for food. We also use some of the money to buy resources and presents for the children at Christmas time and throughout the year. We would be grateful if you could send in £1 per week for 15-hour children and £2 per week for 30-hour children every Monday.

If you are unsure of how much is owed please ask a member of staff who will be happy to help.

Tapestry

Tapestry is our online learning journey that we use to help us keep in touch with you about what is going on at Nursery with your child's learning. Please ensure you check this regularly and engage as much as possible with the posts. We would also love to see any home learning or experiences your child has out of school time.

Phonics

In nursery, phonics is taught using Monster Phonics. The children enjoy singing along to Jolly Phonics songs which teaches them the sounds of letters.

This term we will focus on environmental sounds and Jolly Phonics phase 1 group 1 letter sounds.

Focus for next week

Colour – orange
Number – 0 and 1
Sound – s and a
Shape - square

Nursery Rhyme of the Week

Twinkle, twinkle, little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle, little star
How I wonder what you are

Homework:

Autumn Walk – collect autumn things to share in class

Listening Walk/Listening Time – What sounds can you hear?

We love to see observations of the children at home. Please upload their adventures and learning to Tapestry.
