Welcome Back

A huge welcome back to school. We are hope that you all had a fantastic summer and are ready and eager for the term ahead. We would give a warm welcome to our new reception children and their families alongside various children throughout the school who joined us this week. We are delighted to welcome you to our school community.

Our New Priest- Fr David Gamble

Fr David starts at St Albert's on 19th September. Fr David has visited the school and all the classes, and we wish him all the very best. I am sure that once he has settled in, he will be over to visit us.

Water

For health reasons St Albert's is a 'water is best' school and we therefore enforce a water only policy in class.

As times have changed, and children have more access throughout the day to water, it is particularly important that this is not substituted with juice. Continuous juice through a water bottle is not healthy for many reasons least not a young child's teeth. Please support us and encourage your child to only drink water at school.

Reception

Our reception class started with us on Monday, and we are already very impressed with how well they have settled. Monday will be their first full day and I am sure all the parents are looking forward to this. The gates on the Main Road (Haswell Drive) will open at 3pm for Reception Parents only. All other parents are kindly asked to wait outside until 3.10pm to allow the reception children to exit first in a calm manner.

Gates open at 8.45 to 8.55 am and then again at 3pm for Reception children.

Coffee Mornings

We are currently organising these for each class and your child's class teacher will be in touch shortly. This is an opportunity for you to meet the new class teacher, familiarise yourself with their expectations and approach whilst also giving you the opportunity to ask questions. Please keep an eye out for times.
