### Y4 Communion Dates

A letter was sent home from Fr David to all parents of those children making their Reconciliation/Holy Communion this year.

The next parent meeting is **Sunday 6<sup>th</sup> November** after mass in the Parish Hall. If you wish for your child to make the Sacraments, you need to attend this. If you **cannot** attend, you must contact Fr David directly (not school). He has kindly organised an additional session on Sunday 27<sup>th</sup> November after mass for those who could not attend.

Please make sure you contact **Fr David** if you have any problems with any of the above.

If parents do not attend Fr David will take it that you have decided you do not wish your child to take part in the Sacramental programme this year.

Please note that proof of baptism may be needed.

### Heating

Thank you for your patience with our heating issues. As we have informed you these are beyond our control and are carefully monitored to conform with Health & Safety. The good news is that the heating is up and running in the following class:

Y6, Y5, Y3, Y1 and Nursery.

Problems remain in Rec, Y2 and Y4 (and in the offices). We will keep you updated as we continue to work on this.

### Adam Foundation

Today, the Year 6 children had a visit from 'The Adam Foundation' who gave an insightful presentation about the dangers and consequences associated with knife crime and what to do to keep themselves safe. The Adam Foundation will be live on BBC breakfast

tomorrow morning to talk about ADAM and the work of the foundation if you wish to learn more about the important work they do in the community.

### MP Visit- Careers

Yesterday, the Year 6 children had a visit from Ian Byrne, the labour MP for Liverpool, West Derby. He spoke to the children about his journey to becoming an MP and gave an inspirational talk about the children achieving their dreams and working hard to reach their true potential. The children were amazed to learn that Ian Byrne also grew up in Stockbridge Village and even made his Holy Communion in St Albert's. We look forward to meeting Ian again when we visit Parliament in February!

### No Parking

We have been contacted by our neighbouring residents once again about inappropriate parking outside of school. Please be mindful when parking that you **DO NOT** block anyone's driveway. This is causing a lot of stress for our neighbours so please think before parking. The local police have been contacted about the situation, so may be patrolling the area in future.

### This Week's Attendance

As you can see from the table below, school attendance is at an all time low, and even worse than during COVID. It is vitally important that your child attends school and is on-time.

Remember '5 to 9 is St Albert's time'.

Rec	93.9%
Y1	87.6%
Y2	86.4%
Y3	91.2%
Y4	85.2%
Y5	90%
Y6	80.0%
