### Weather Warning

Now that we are coming into the winter months the weather is getting colder and weather warnings of snow and ice have been issued. Please make sure that you and your children are wrapped up warm when going outside.

We have also been informed that areas in and around school are icy and this will only get worse over the coming weeks. Please be careful when walking to and from school and around Stockbridge Village. We will try our best to keep the areas in school safe.

### A Message from Knowsley Council

A letter has been handed out with today's newsletter from Knowsley Council with information for parents/ carers about how to protect your child from common infections this winter. This information is important as it tells you of signs to look out for.
