Reception Vision Screening Test

A letter and text message were sent out on Wednesday to all Reception parents to inform them that on Monday 9th January we will have a visit from the NHS Vision Screening Team. If you **DO NOT** want your child to participate in this, then you should complete the form that was given out and return it back to school on Monday morning. If you do not return this, then we will assume that you wish for this to go ahead.

St John Bosco Production- Year 4

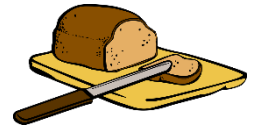

Year 4 will be working with St John Bosco on their long-awaited production of Hairspray. They will be working with the dance teacher each week on a Tuesday morning, and this will then culminate in taking part in the overall performance at St John Bosco

Cherie Grist – Local Artist

We are delighted that Cherie Grist, a local and very successful artist, will be coming into school on Monday and Wednesday next week to work with the children in Year 5. Cherie is originally from Stockbridge Village and has many links here. Her owl was on display outside of Stockbridge Library whilst the Owl and the Pussy Cat exhibition was on display. The activity will link with our work on careers and also forms part of Knowsley Year of Culture.

Breakfast Club- Price Increase

As you will be aware, cost of food and wages have increased significantly over the past few years. This is having an impact on our school budget, and so it is with regret we have to inform you that the price of Breakfast Club will be increasing from £1.50 to £2 per child, per day. This increase will occur after the Easter break in April.
