### Breakfast Club- Price Increase

As you will be aware, cost of food and wages have increased significantly over the past few years. This is having an impact on our school budget, and so it is with regret we have to inform you that the price of Breakfast Club will be increasing from £1.50 to £2 per child, per day. This increase will occur after the Easter break in April.

### Census Day Party Box

On Thursday 19<sup>th</sup> January there will be a Party Box as part of Census Day. This will be chicken nuggets and chips and will be £1 for those who usually pay for school meals. This will be the only lunch option for this day so if your child does not want this then please provide them with a packed lunch.

### Fund Raising Request

We are asking parents & carers if you are someone or know someone we can approach to apply for funding grants for school trips. As you know, we always heavily subsidise trips, but this is becoming increasingly harder as our budget becomes tighter. We have applied for funding this year but even our regular sources have not been able to help us. If you think you can help us in raising funds for trips, please contact the school office.

### Cherie Grist Art with Y5

This week Year 5 were visited by Local artist Cherie Grist. Cherie was born in Stockbridge Village and has her artwork displayed in the Walker Art Gallery and is sold all around the world. She has been working with Year 5 to create some abstract expressionist artworks using a variety of techniques.
