Can parents please make sure that school meal or Breakfast Club debts are paid before school finishes for the summer. If you are unsure of how much you owe, then please contact the school office.

Mission Statement Review

This week a letter was sent home about the review of our mission statement. We have been working with the children this week on how we SERVE others by supporting the local community.

In conjunction with this, the children will be looking at Love and Respect and will be decorating their own fish for the display in the school entrance. We will let you know when this is complete so that you can come to admire their work.

Y1 Grandparents Day

On Thursday afternoon Y1 had their 'Community activity' by welcoming the children's grandparents into school. They had a lovely time on the school field having tea and cake, playing bingo, and fighting off the rain! Thank you all for coming along, it was a very special afternoon.
