St Albert's are embracing the Church's call to Live Simply. As parents we feel that this is something that you may wish to join us in.

Throughout the year we will be considering how to:

Live in Solidarity with others- helping and supporting others.

Live sustainably - reducing waste and recycling.

Live simply - appreciating the simple things in life - enjoying nature, slowing down, looking after our well-being.

What wonderful sentiments to start the new year with.

As a school we will be making pledges and asking our parents to consider making their own pledges that we can share as a community. Please watch this space.
