

# St Albert's Catholic Primary School

## SEND Policy 2023

Incorporating Special Educational Needs Information, in compliance with  
Statutory Instrument : Special Educational Needs (Information) Regulations  
(Clause 64)

## **INCLUSION POLICY FOR ST ALBERT'S CATHOLIC PRIMARY SCHOOL**

Legislative Compliance:

This policy complies with the guidance given in Statutory Instrument :

Special Educational Needs (Information) Regulations (Clause 64). It has been written as guidance for staff, parents or carers and children with reference to the following guidance and documents.

SEND Code of Practice (which takes account of the SEND provisions of the:

- SEND and Disability Act 2001) September 2014,
- Ofsted Section 5 Inspection Framework September 2018
- Ofsted SEND Review 2010 "A Statement is not enough"
- Equality Act 2010
- Education Bill 2011
- Children and Families Act 2014

### **SEND Statement**

- We endeavour to achieve maximum inclusion of all children (including vulnerable learners) whilst meeting their individual needs.
- Teachers provide differentiated learning opportunities for all the children within the school and provide materials appropriate to children's interests and abilities. This ensures that all children have a full access to the school curriculum.
- Special Educational Need might be an explanation for delayed or slower progress but is not an excuse, and we make every effort to narrow the gap in attainment between vulnerable groups of learners and others.
- English as an Additional Language (EAL) is not considered a Special Education Need. Differentiated work and individual learning opportunities are provided for children who are learning EAL as part of our provision for vulnerable learners.
- We focus on individual progress as the main indicator of success.
- We strive to make a clear distinction between "underachievement" – often caused by a poor early experience of learning - and special educational needs.
  - Some pupils in our school may be underachieving but will not necessarily have a special educational need. It is our responsibility to spot this quickly and ensure that appropriate interventions are put in place to help these pupils catch up.
  - Other pupils will genuinely have special educational needs and this may lead to lower-attainment (though not necessarily to underachievement). It is our responsibility to ensure that pupils with special educational needs have the maximum opportunity to attain and achieve in line with their peers. Accurate assessment of need and carefully planned programmes, which address the root causes of any learning difficulty, are essential ingredients of success for these pupils.

These will be provided, initially, through additional support funded from the devolved schools budget.

### **Aims and Objectives of this Policy**

The aims of our inclusion policy and practice in this school are:

- To provide curriculum access for all
- To secure high levels of achievement for all
- To meet individual needs through a wide range of provision
- To attain high levels of satisfaction and participation from pupils, parent and carers
- To carefully map provision for all vulnerable learners to ensure that staffing deployment, resource allocation and choice of intervention is leading to good learning outcomes.
- To ensure a high level of staff expertise to meet pupil need, through well targeted continuing professional development.
- To work in cooperative and productive partnership with the Local Authority and other outside agencies, to ensure there is a multiprofessional approach to meeting the needs of all vulnerable learners.

**1. Information about the school's policies for the identification, assessment and provision for pupils with special educational needs, whether or not pupils have EHC Plans, including how the school evaluates the effectiveness of its provision for such pupils.**

**and**

**2. The school's arrangements for assessing the progress of pupils with special educational needs**

In agreeing these staged arrangements, the school has taken into account the following statements and definitions:

*"Defining achievement in terms of the number of targets on an individual education plan achieved across a given time rarely ensured rigorous evaluation of provision or pupils' progress. What made the difference to higher outcomes was effective target-setting within the curriculum or personalised programme as part of a whole-school policy on assessment."*

**'Inclusion: does it matter where pupils are taught?' (Ofsted, 2006a)**

*"Special educational provision is educational or training provision that is additional to or different from" that made generally for others of the same age. This means provision that goes beyond the differentiated approaches*

*and learning arrangements normally provided as part of high quality, personalised teaching”*

### **SEND Code Of Practice (2014)**

*This is not necessarily "more literacy" or "more maths" but would be interventions which address the underlying learning needs of the pupil in order to improve his or her access to the curriculum.”*

### **“Achievement for All” (National Strategies: 2009)**

*Across all the education providers visited, the keys to good outcomes were good teaching and learning, close tracking, rigorous monitoring of progress with intervention quickly put in place, and a thorough evaluation of the impact of additional provision.*

### **Ofsted SEND Review 2010**

*"Ensuring that schools are clear about their provision that is normally available for all children, including targeted help routinely provided for those falling behind and the additional provision they make for those with SEND, should simplify the process of planning the right help at school level”*

### **(p68) SEND Code of Practice 2014**

**STAGE 1 Well-differentiated, quality first teaching, including, where appropriate, the use of Wave 1 or Wave 2 Interventions. All vulnerable learners to be included on a whole-school provision map.**

All learners will have access to quality first teaching.

- The routine and prolonged withdrawal from mainstream of children with EAL is not recognised as good practice and does not promote rapid language acquisition. Language acquisition is best promoted through a range of good, inclusive strategies, interventions and differentiation of the usual school curriculum.
- Some vulnerable learners will have access to Wave 1 or Wave 2 interventions. These will probably be pupils who are underachieving and have been identified by the school as needing to make accelerated progress but will not necessarily be pupils with special educational needs. This is considered to be a differentiation of the usual school curriculum – not a special intervention for pupils with SEND.
- All vulnerable learners will be included on a detailed whole-school provision map which outlines and monitors all additional intervention across the school. The whole school provision map enables the school to:

- Plan strategically to meet pupils’ identified needs and track their provision.
- Audit how well provision matches need

- Recognise gaps in provision
- Highlight repetitive or ineffective use of resources
- Cost provision effectively
- Demonstrate accountability for financial efficiency
- Demonstrate to all staff how support is deployed
- Inform parents, LEA, external agencies and Ofsted about resource deployment
- Focus attention on whole-school issues of learning and teaching as well as individual needs, providing an important tool for self-evaluation.

### Identification and Assessment at Stage 1

Children's needs should be identified and met as early as possible through:

- The analysis of data including entry profiles, Foundation Stage Profile scores, reading ages, other whole-school pupil progress data  
Classroom-based assessment and monitoring arrangements (cycle of planning, action and review)
- Following up parental concerns
- Tracking individual children's progress over time,
- Liaison with feeder nurseries on transfer
- Information from previous schools
- Information from other services
- Maintaining a provision map for all vulnerable learners but which clearly identifies pupils receiving additional SEND Support from the school's devolved budget or in receipt of High Needs funding. This provision map is updated termly by the SENDCo through meetings between the teachers and SENDCo.
- Undertaking, when necessary, a more in depth individual assessment this may include a range of commercially available assessments carefully chosen to deliver appropriate, useful information on a pupil's needs. It may include a bilingual assessment where English is not the first language.
- Involving an external agency where it is suspected that a special educational need is significant.

### Curriculum Access and Provision for vulnerable learners

Where children are underachieving and/or identified as having special educational needs, the school provides for these additional needs in a variety of ways and might use a combination of these approaches to address targets identified for individual pupils.

- Teachers differentiate work as part of quality first teaching
- Interventions
- Other small group withdrawal
- Individual class support / individual withdrawal
- Bilingual support/access to materials in translation

- Further differentiation of resources,
- Study buddies/cross age tutors
- Homework/learning support club

### Monitoring and Evaluation

The monitoring and evaluation of the effectiveness of our provision for vulnerable learners is carried out in the following ways:

- Classroom observation by the SENDCo and or senior leaders.
- Ongoing assessment of progress made by intervention groups
- Work sampling on a termly basis
- Teacher interviews with the SENDCo
- Informal feedback from all staff
- Pupil interviews when setting new PPP/PP targets or reviewing existing targets
- Pupil progress tracking using assessment data (whole-school processes)
- Monitoring PPPs and PPs and targets, evaluating the impact of PPPs/PPs on pupils' progress
- Attendance records and liaison with SAS
- Regular meetings about pupils' progress between the SENDCo and the Head teacher
- Head teacher's report to governors

### Stage 2 Additional SEND Support

- Pupils will be offered additional SEND support when it is clear that their needs require intervention which is "additional to" or "different from" the well-differentiated curriculum offer for all pupils in the school i.e. they have a special educational need as defined by the SEND Code of Practice 2014.
- Under-achieving pupils and pupils with EAL who do not have SEND will not be placed on the list of pupils being offered additional SEND support (but will be on the school's provision map).
- In keeping with all vulnerable learners, intervention for pupils on the SEND list will be identified and tracked using the whole-school provision map.
- It may be decided that a very small number, but not all of the pupils on the SEND list will require additional High Needs funding, for which an application needs to be made to the Local Authority, to ensure their underlying special educational need is being addressed. This may particularly be the case where outside agencies have been involved in assessing the pupil or contributing to their provision. Where the school can evidence that more than £6,000 above the Average Weighted Pupil Unit has, or will need to be, spent on a pupil within any one financial year, in order to meet his or her special educational needs, an application will be made to the Local Authority, with particular regard to the success criteria and SEND Descriptors published as part of the local offer.
- On very rare occasions, where a pupil has a significant, severe and sustained need, it may be necessary to enter a multi-disciplinary assessment

process with health and social care in order to consider the need for an Education Health and Care Plan.

- Where a pupil is in receipt of High Needs Funding and/or an Education Health and Care Plan, a decision will be made as to whether a short-term Individual Education Plan or Playplan is required.

- Our approach to PPPs and PPs, which we recognise are no longer prescribed in the SEND Code of Practice 2014, is as follows:

- Our PPPs/PPs are a planning, teaching and reviewing tool which enables us to focus on particular areas of development for pupils with special educational needs. They are seen as working document which can be constantly refined and amended.
- Our PPPs/PPs will only record that which is additional to or different from the differentiated curriculum plan which is in place as part of provision for all children. Targets will address the underlying reasons why a pupil is having difficulty with learning – they will not simply be “more literacy” or “more maths”.
- Our PPPs/PPs will be accessible to all those involved in their implementation – pupils should have an understanding and “ownership of the targets”.
- Our PPPs/PPs will be based on informed assessment and will include the input of outside agencies,
- Our PPPs/PPs have been devised so that they are manageable and easily monitored and therefore will be monitored and evaluated regularly.
- Our PPPs/PPs will be time-limited – a termly review with the people directly involved, there will be an agreed “where to next?”
- Our PPPs/PPs will have a maximum of four short / medium term SMART targets set for or by the pupil.
- Our PPPs/PPs will specify how often the target(s) will be covered
- Our PPPs/PPs will state what the learner is going to learn - not what the teacher is going to teach and will be clear about what the pupil should be able to do at the end of the given period.
- Targets for an PPPs/PPs will be arrived at through :Discussion, wherever possible, with parents/carers and pupil and discussion with another professional if appropriate
- Our PPPs will be reviewed at least termly by class teachers in consultation with the SENDCo

### **Stage 3 Statement of Special Educational Needs or Education Health and Care Plan**

- Pupils with a statement of educational needs (pre September 2014) or an Education Health and Care Plan (post September 2014) will have access to all arrangements for pupils on the SEND list (above) and, in addition to this, will have an Annual Review of their statement/plan.

- Our school will comply with all local arrangements and procedures when applying for

- High Needs Block Funding

- An Education Health and Care Plan and will ensure that all pre-requisites for application have been met through ambitious and proactive additional SEND Support using our devolved budget at an earlier stage.
- Our review procedures fully comply with those recommended in Section 6.15 of the Special Educational Needs Code of Practice and with Knowsley policy and guidance - particularly with regard to the timescales set out within the process.

**3. The name and contact details of the SEND co-ordinator.**

Mrs Rhianon Riddick  
0151 477 8560

**The name and contact details of the EHA co-ordinator.**

Mrs Hayley Deyes  
0151 477 8560

**The name and contact details of the Designated Teacher for Looked After Pupils.**

Mrs Rhianon Riddick  
0151 477 8560

## **Headteacher**

- The head teacher is responsible for monitoring and evaluating the progress of all pupils and for making strategic decisions which will maximise their opportunity to learn
- The head teacher and the governing body will delegate the day to day implementation of this policy to the Special Educational Needs Coordinator (SENDCo)
- The head teacher will be informed of the progress of all vulnerable learners and any issues with regard to the school's provision in this regard through:
  - Analysis of the whole-school pupil progress tracking system – iTrack
  - Analysis of the whole-school provision map for vulnerable learners (Compiled by the SENDCo)
  - Pupil progress meetings with individual teachers
  - Regular meetings with the SENDCo
  - Discussions with pupils and parents

Special Educational Needs Coordinator

In line with the recommendations in the SEND Code of Practice 2014, the SENDCo will oversee the day- to-day operation of this policy in the following ways:

- Maintenance and analysis of whole-school provision map for vulnerable learners
- Identifying on this provision map a staged list of pupils with special educational needs – those in receipt of additional SEND support from the

schools devolved budget, those in receipt of High Needs funding and those with statements of Special Educational Need or Education Health and Care plans

- Co-ordinating provision for children with special educational needs
- Liaising with and advising teachers
- Managing other classroom staff involved in supporting vulnerable learners
- Overseeing the records on all children with Special Educational Needs
- Liaising with parents of children with SEND, in conjunction with class teachers
- Contributing to the in-service training of staff
- Implementing a programme of Annual Review for all pupils with a statement of special educational need. Complying with requests from an Education Health and Care Plan Coordinator to participate in a review.
- Carrying out referral procedures to the Local Authority to request High Needs funding and/or an Education Health and Care Plan when it is suspected, on strong evidence arising from previous intervention (additional SEND support from devolved budget), that a pupil may have a special educational need which will require significant support,
- Overseeing the smooth running of transition arrangements and transfer of information for Year 6 pupils on the vulnerable learners' provision map.
- Monitoring the school's system for ensuring that Individual Education Plans and Playplans, where it is agreed they will be useful for a pupil with special educational needs, have a high profile in the classroom and with pupils. (see section below on Individual Education Plans).
- Evaluating regularly the impact and effectiveness of all additional interventions for all vulnerable learners (including those with special educational needs).
- Meeting at least termly with each teacher to review and revise learning objectives for all vulnerable learners in their class who are being tracked on the school's provision map (school managers will guarantee planning and preparation time for teachers and SENDCo to ensure that these meetings occur).
- Liaising sensitively with parents and families of pupils on the SEND list, keeping them informed of progress and listening to their views of progress.
- Attending area SENDCo network meetings and training as appropriate.
- Liaising with the school's SEND Governor, keeping him/her informed of current issues regarding provision for vulnerable learners, including those with Special Educational Needs (nationally, locally and within school).
- Liaising closely with a range of outside agencies to support vulnerable learners

### **Class teacher**

Class Teachers are responsible and accountable for all of the SEND children in their care.

- Liaising with the SENDCo/Mentor to agree :
  - Which pupils in the class are vulnerable learners

- Which pupils are underachieving and need to have their additional interventions monitored on the vulnerable learners' provision map – but do not have special educational needs.
- Which pupils (also on the provision map) require additional support because of a special educational need and need to go on the school's SEND list. Some of these pupils may require advice/support from an outside professional and, therefore, an Individual Education Plan or Playplan to address a special educational need (this would include pupils with statements/EHC Plans)
- Securing good provision and good outcomes for all groups of vulnerable learners by :
  - Providing differentiated teaching and learning opportunities, including differentiated work for EAL pupils which reduces linguistic difficulty whilst maintaining cognitive challenge
  - Ensuring there is adequate opportunity for pupils with special educational needs to working on agreed targets which are genuinely "additional to" or "different from" those normally provided as part of the differentiated curriculum offer and strategies". (SEND Code of Practice 2014)
  - Ensuring effective deployment of resources – including teaching assistant support - to maximise outcomes for all groups of vulnerable learners.

**4. Information about the expertise and training of staff in relation to children and young people with special educational needs and about how specialist expertise will be secured.**

In accordance with Section 6 of the SEND Code of Practice 2014, if appointed after September 2008, our Special Educational Needs Coordinator will be a qualified teacher working at our school and will have statutory accreditation. If a new SENDCo is appointed, he/she will gain statutory accreditation within three years of appointment.

- The SENDCo and Mentor will regularly attend local network meetings
- All staff will be trained in how to best support all vulnerable learners in order to maximise their achievement as part of the school development plan and annual schedule of continuous professional development.
- Specialist advice and expertise in relation to assessment and support of individual pupils will be commissioned by the school from the open market. Service level agreements and quality assurance criteria will be put in place at the point of commissioning and the Head teacher and Senior Leaders will be responsible for reporting to governors on the efficiency of these arrangements (including value for money). Our school will, wherever possible, join with other schools in joint commissioning and quality assurance arrangements.

**5. Information about how equipment and facilities to support children and young people with special educational needs will be secured.**

When specialist equipment or a high level of staffing support is required to support a pupil with special educational needs, our school will fund this as additional SEND support up to £6,000 per annum for each individual pupil. Thereafter, if the cost is higher and the provision of these facilities is likely to be prolonged, the school will apply to the Local Authority for High Needs Block

Funding.

- Specialist equipment and expertise in relation to its use will be purchased/hired/ commissioned by the school from the open market, subject to the usual guarantees, service level agreements and quality assurance criteria. Our school will, wherever possible, join with other schools in joint purchasing/hire of equipment.
- All staffing appointments to support vulnerable learners will be carried out in accordance with equal opportunities legislation, employment law, safer recruiting policy and best practice. All vacancies will be competitively advertised and recruited.

**6. The role played by the parents of pupils with special educational needs (and other learning needs).**

Partnership with Parents/Carers

The school aims to work in partnership with parents and carers. We do so by:

- Working effectively with all other agencies supporting children and their parents
- Giving parents and carers opportunities to play an active and valued role in their child's education.
- Making parents and carers feel welcome.
- Encouraging parents and carers to inform school of any difficulties they perceive their child may be having or other needs the child may have which need addressing.
- Instilling confidence that the school will listen and act appropriately.
- Focusing on the child's strengths as well as areas of additional need.
- Allowing parents and carers opportunities to discuss ways in which they and the school can help their child.
- Agreeing targets for all pupils, in particular, those not making expected progress and, for some pupils identified as having special educational needs, involving parents in the drawing-up and monitoring progress against these targets.

- Keeping parents and carers informed and giving support during assessment and any related decision-making process.
- Making parents and carers aware of the Parent Partnership services.
- Providing all information in an accessible way, including, where necessary, translated information for parents with English as an Additional Language.

### **Involvement of Pupils**

We recognise that all pupils have the right to be involved in making decisions and exercising choice. In most lessons, all pupils are involved in monitoring and reviewing their progress through the use of layered targets. We endeavour to fully involve all pupils by encouraging them to:

- State their views about their education and learning.
- Identify their own needs and learn about learning.
- Share in individual target setting across the curriculum so that they know what their targets are and why they have them.
- Self-review their progress and set new targets.
- Monitor their success at achieving the targets on their Individual Education Plan/Playplan (for some pupils with special educational needs)

### **Effective Transition**

- We will ensure early and timely planning for transfer to a pupil's next phase of education and, in the year before the year in which they leave, will offer transition meetings to all pupils in receipt of Additional SEND support and all those with statements of Special Educational Needs. Pupils with Education Health and Care Plans will have next phase destinations and transition arrangements discussed at plan review meetings convened by the plan coordinator.
- A transition timeline will be produced, with specific responsibilities identified.
- Support for the pupil in coming to terms with moving on will be carefully planned and will include familiarisation visits and counselling. Pupils will be included in all "class transition days" to the next phase but may also be offered additional transition visits.
- Pupils and parents will be encouraged to consider all options for the next phase of education and the school will involve outside agencies, as appropriate, to ensure information is comprehensive but easily accessible and understandable. Accompanied visits to other providers may be arranged as appropriate.
- Parents will be given a reliable named contact at the next phase provider with whom the SENDCo will liaise.

**7. Any arrangements made by the governing body or the proprietor relating to the treatment of complaints from parents of pupils with special educational needs concerning the provision made at the school.**

**Admission Arrangements**

No child will be refused admission to school on the basis of his or her special educational need, ethnicity or language need. In line with the Equalities Act 2010, we will not discriminate against disabled children and we will take all reasonable steps to provide effective educational provision (see Admission policy for the school, as agreed with the Archdiocese)

**Complaints**

If there are any complaints relating to the provision for children with SEND these will be dealt with in the first instance by the class teacher and SENDCo/Mentor, then, if unresolved, by Head teacher. The governor with specific responsibility for SEND/Inclusion may be involved if necessary. In the case of an unresolved complaint the issue should be taken through the general Governors complaints procedure (see separate Complaints Policy)

**8. The details of support services for the parents of pupils with special educational needs, including those for arrangements made in accordance with clause 32**

St. Albert's invites and seeks advice and support from external agencies in the identification and assessment of, and provision for, SEND. The SENDCo may be responsible for liaising with the following:

- Education Psychology Service
- Behaviour Support Service
- Social Services
- Speech and Language Service
- Specialist Outreach Services
- Education Welfare Service
- School Nurse
- Community Pediatrician
- Physiotherapy
- Occupational Therapy
- Access & Inclusion Team
- Educational Social Worker
- Primary Support Centre Manager
- Children's Centre Staff

This policy will be reviewed annually by the Governing Body

**9. Information on where the local authority's local offer is published.**
