RE Inspection

We are delighted to share our RE inspection report with you. We have sent out a link, it's also on our website and paper copies are available from the Office. The report celebrates the wonderful work that is taking place in our school. We have been deemed **Outstanding** in all areas, which is a wonderful achievement and something to celebrate. A pertinent quote is....

St Albert's is a school with Christ and its pupils at the heart of all decisions and actions. They also commented on the positive relationships within the school and the community which means that the school mission of **Walking Together with Jesus to Love, Learn and Serve**, is truly lived out.

The inspectors commented on our pupils' passion and enjoyment of RE and how they speak with confidence, are actively engaged in their lessons and take great pride in the work they produce.

This is a wonderful achievement for our school and we are very proud.
