## Types of Lines in Art

Vertical Line

Horizontal Line

Ziczac Line

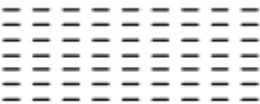

Diagonal Line

Wavy Line

Dashed Line

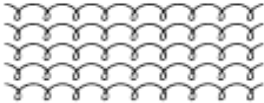

Dotted Line

Scalloped Line

Curly Line

Spiral Line

In this pathway children are opened to the idea that artists and designers have responsibilities, in the case of architects to design homes that help us have a brighter future. Children discuss as a class if it is best to design aspirational homes which make us feel good to live in, or tiny homes which benefit the environment. Or perhaps we can do both?
