School Council

This week, our School Council met to discuss the National Year of Reading and to share ideas on how we can promote a love of reading across our school. As part of this, the children worked together to help tidy and organise our school library.

Attendance

Regular attendance at school is vital for every child's learning, wellbeing, and success. Being in school every day helps children build strong routines, develop friendships, and make the most of learning opportunities.

We ask parents and carers to support good attendance by ensuring children arrive on time each day and by avoiding unnecessary absences where possible. Working together, we can help every child achieve their full potential.
