World Book Day

We had a fantastic time celebrating World Book Day yesterday. The school was full of excitement as children and staff shared their love of books, stories and favourite characters. We had a special visit from author Jenny Goodall who inspired the children with her stories and talked about what its like to be a writer. The children were captivated and asked lots of brilliant questions. Thank you to all our parents / carers for the amazing effort put into the children's costumes. The children looked fantastic and helped make World Book Day such an enjoyable celebration for all.
