PGL

We are delighted to be heading to PGL with our Year 5 pupils on **Monday 27th April**. This is a wonderful experience, and the children are all very excited. Children should arrive to school at the normal time and be dropped off at the school gates. Please ensure your child brings any agreed medication as well as a packed lunch for the first day. Please ensure children are dressed appropriately with suitable footwear. As the weather forecast looks lovely, sunscreen and a cap are recommended. However, we also ask that children bring warm clothing and a raincoat, just in case. Please ensure your child packs an extra set of clothes for Wednesday. The children will be taking part in a water-based activity and are likely to get wet. Having spare clothes will allow them to change into dry clothing before travelling home. We will be posting on our socials so you can follow all the fun to be had.

Year 5 children not attending PGL will need full attendance at school, and this will be closely monitored. Please make sure children are in every day.

Attendance News

To help encourage and support good attendance we are pleased to be introducing a new initiative at St Albert's. From now on, children will be able to wear their own clothes on the day of their birthday. We hope this special treat helps make their day even more memorable and encourages our children to be in school.

Calpol, Piriton & Nurofen Consent

To support your child's attendance and wellbeing during the school day, we are seeking your permission to administer Calpol, Piriton or Nurofen should your child require it. These medications will only be given when necessary and in line with the recommended dosage for your child's age. A letter went home last week, please complete and return your child's consent slip.
